

# ADJUSTABLE LIGHTWEIGHT LOUDSPEAKER EQUIPMENT STAND

**SS33E  
SSA-7**

**SS33E**

**SSA-7**

## FEATURES

- Heavy Duty Aluminum Speaker Stand Weighing 6.3 lbs. Supports Up to 150 lbs.
- Stand Folds to a Minimal 43" for Convenient Portability
- Height Adjusts from 48" to 85" for Vertical Flexibility When Used with Sound, Monitor and Control Equipment
- Positive Clamping System Features an Air-Damped Safety Release for Slip-Free Support of Equipment

## APPLICATIONS

Musician Series Model SS33E is ideal for elevating sound, monitor and control equipment for touring musicians and in churches, schools, theaters, and where easy transportability, set-up, and teardown are desired. The lightweight frame provides easy vertical positioning, height adjustment, and fold to storage capabilities. Optional platform adapter extends application versatility.

## GENERAL DESCRIPTION

**SS33E.** Designed for easy transportability, set-up and tear-down, the heavy-duty aluminum speaker stand Model SS33E weighs a mere 6.3 lbs. and supports up to 150 lbs. Additionally, the stand folds to a minimal 43" making it a great portable stand for use by touring musicians and in churches, schools, and theaters. Height adjusts from 48" to 85" for versatile positioning and support of sound, monitor, and control equipment.

Stand is equipped with a positive clamping system complete with an air-damped safety release to assure slip-free support of elevated equipment. Vertical tube assembly contains 1½" and 1⅝" tubing. Clutch mechanism includes a protective insert for scratch-free height adjustment. It is finished in non-reflective ebony.

**SSA-7.** Universal platform adapter for stand Model SS33E features two ¾" x 2" equipment mounting holes to meet a variety of support applications. Material is molded plastic and the finish is ebony.

\* Stability Index (I.S.I.) Factor. Evaluates the ability of a stand or stand/boom assembly to remain at rest when acted upon by an outside force.

MODEL	DESCRIPTION	BASE TYPE	HEIGHT SPAN	MOUNTING PATTERN	FINISH	WEIGHT
